

Creating a Come Study You account on a desktop

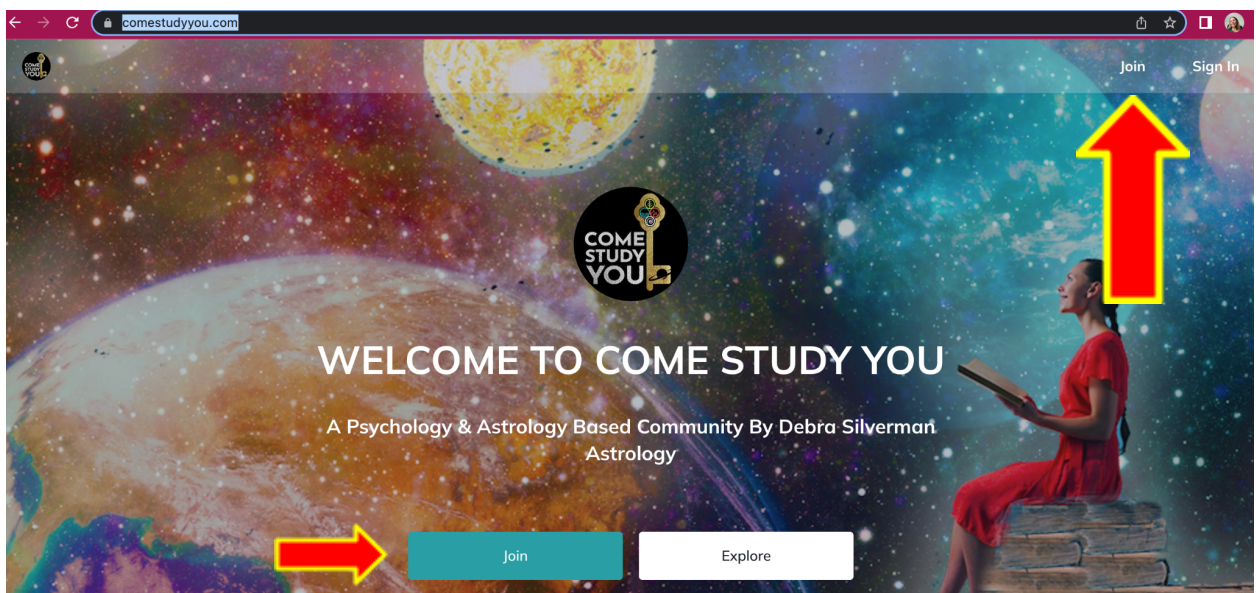

Step 1

Go to the **Come Study You** home page and bookmark it for future use.

Click on the **Join** button in the top right corner or at the bottom of the page.

Link: [Sign In | Come Study You](https://comestudyyou.com)

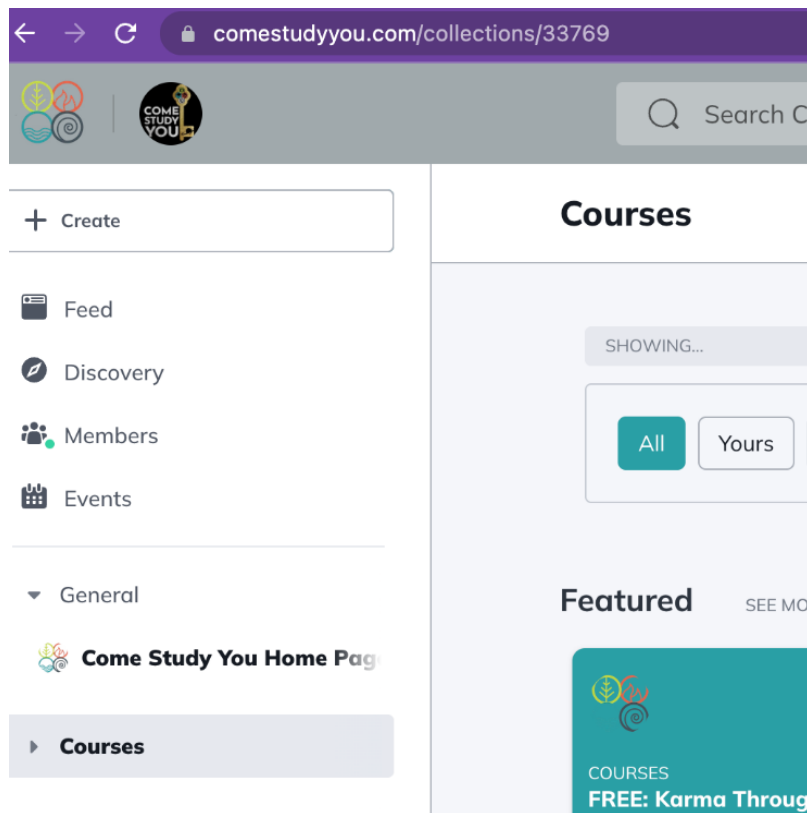

Step 2

Create an account, using the email you use with DSA the most. If it's a Gmail or an Apple email use the button (Continue with...) under the First/Last name section. If you are using Hotmail, Yahoo!, AOL, etc. Start by filling in your name and continue by filling in the form. **IF** you get an message saying email already in use that means you already have an account! Email us at info@debrasilvermanastrology.com

Step 3

Once you are logged in for the first time you will get a Welcome Screen and then you will be led to the **Feed Page**. The feed is where all important posts for the Come Study You community will show up.

Another place for updates and great information can be found in the **General Tab** in the menu bar. Join the **Come Study You Home Page!**

Next thing to complete when you first create your Come Study You account is to finish the **Welcome Checklist!** This checklist will take you on a mini tour to show you where the chat is, how to make a post and help you sign up for the **Free Courses on Come Study You** to help you get started.

If you still can't see what you're looking for email us:
