Step 2

Go to the menu on the left and **Click on "Courses"**. Next **Click on "Yours"** to filter your courses only.

Step 3

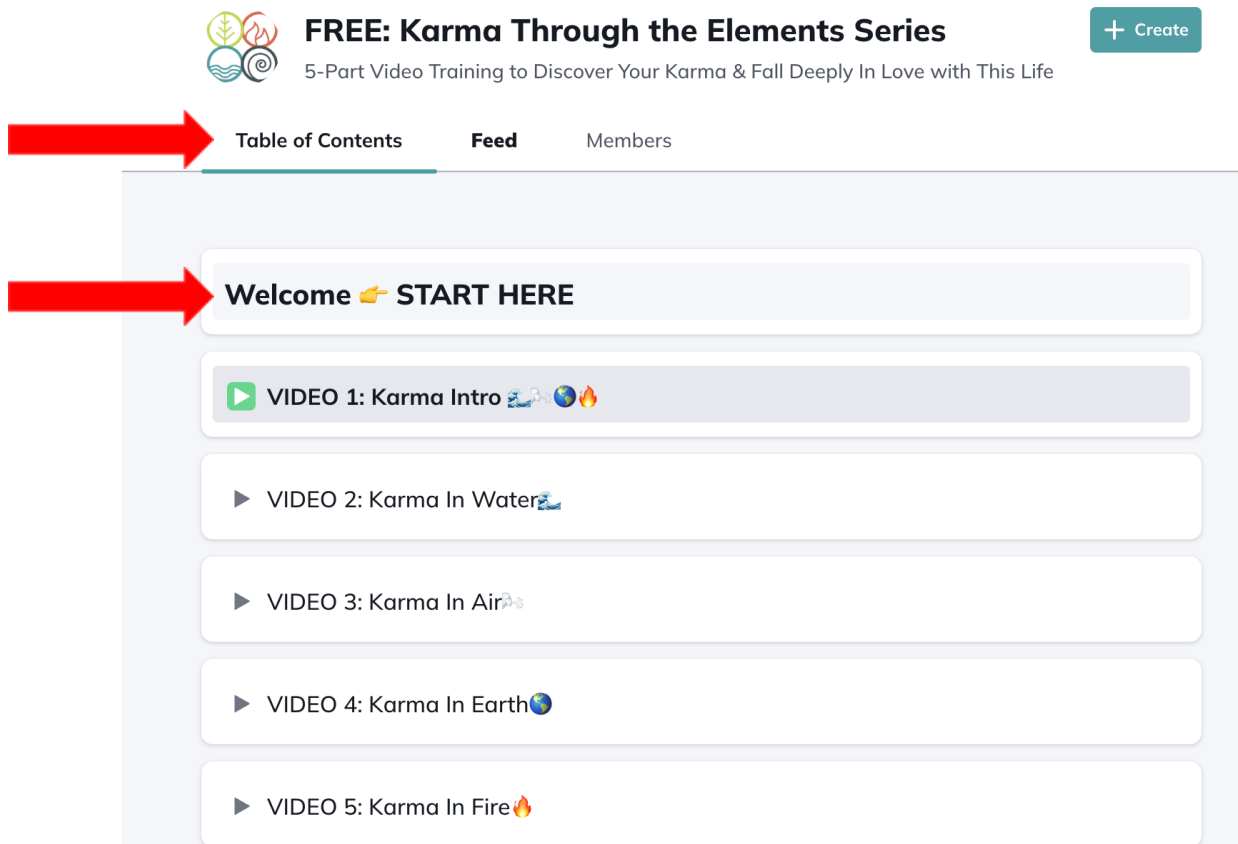

Click on the **Course** you would like to work on.

The screenshot shows a sidebar on the left with navigation options: Create, Feed, Discovery, Members, Events, General, and Courses. The main area displays three course cards. The second card, 'FREE: Karma Through the Elements Series', is highlighted with a red arrow. It features a logo with four elements (tree, fire, water, earth) and text: '5-Part Video Training to Discover Your Karma & Fall Deeply In Love with This Life' and '5.2K Members · Last Active 19h ago'. A 'View Space' button is visible.

Step 4

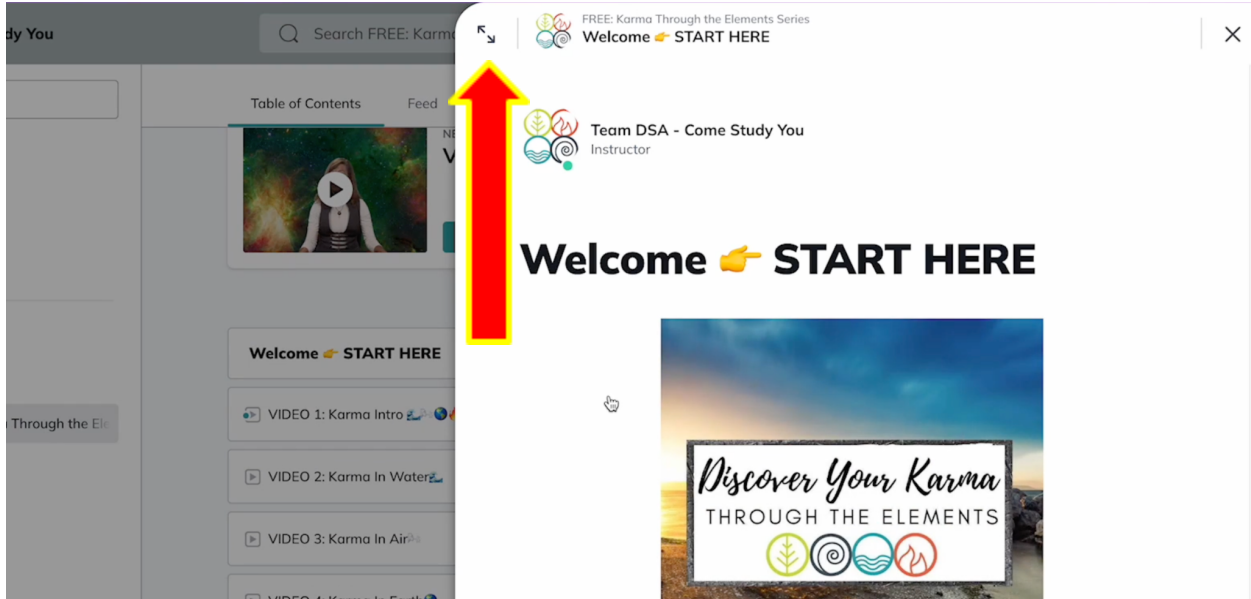

The **Course** will open on to the **Table of Contents** tab. Click on a **Lesson**. We recommend starting at the **Welcome** Lesson as it will always give you the most important information about the **Course**.

The screenshot shows the course page for 'FREE: Karma Through the Elements Series'. The 'Table of Contents' tab is selected and highlighted with a red arrow. Below the tabs, the 'Welcome' lesson is highlighted with a red arrow and labeled 'START HERE'. The list of lessons includes: VIDEO 1: Karma Intro, VIDEO 2: Karma In Water, VIDEO 3: Karma In Air, VIDEO 4: Karma In Earth, and VIDEO 5: Karma In Fire.

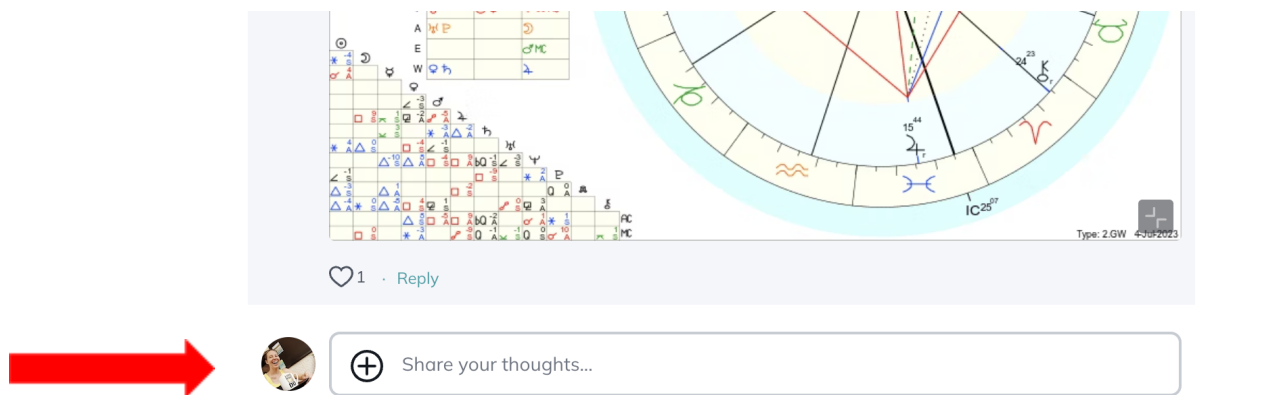

Step 5

Once you Click on the Lesson it will open to a half screen. **Click the expansion Arrow** to open it to Full Screen OR to Close the Full Screen Option.

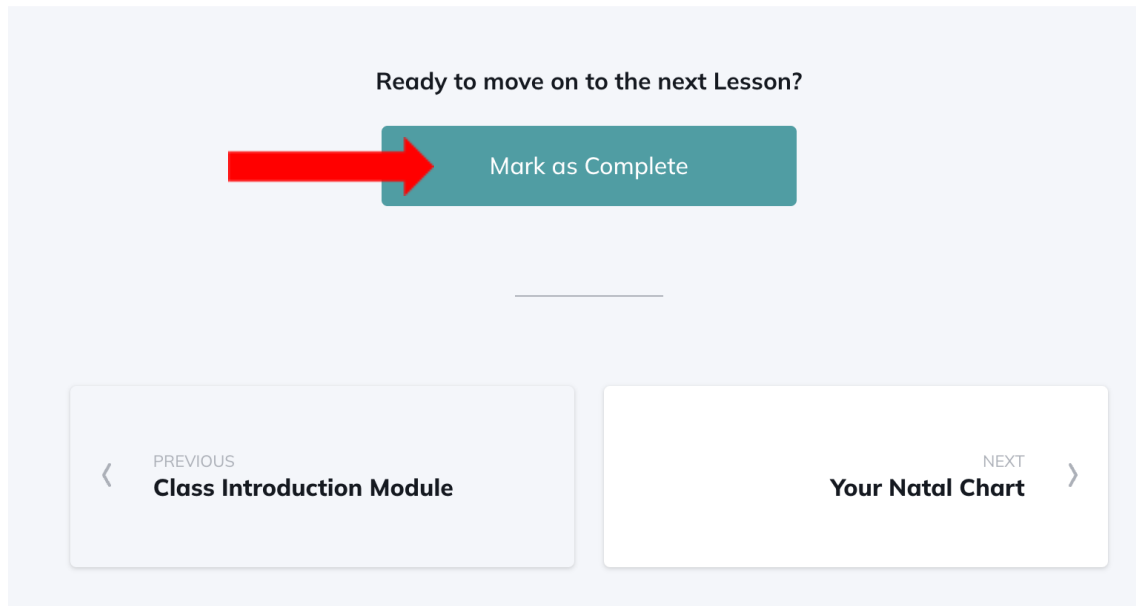

Step 6

Once you review the lesson content and are ready to post your homework, scroll down the page, past the icons, past the other students' comments to the last thing on the screen. **A comment box**. Click the **+** sign to comment and **post your homework** by clicking **Comment**.

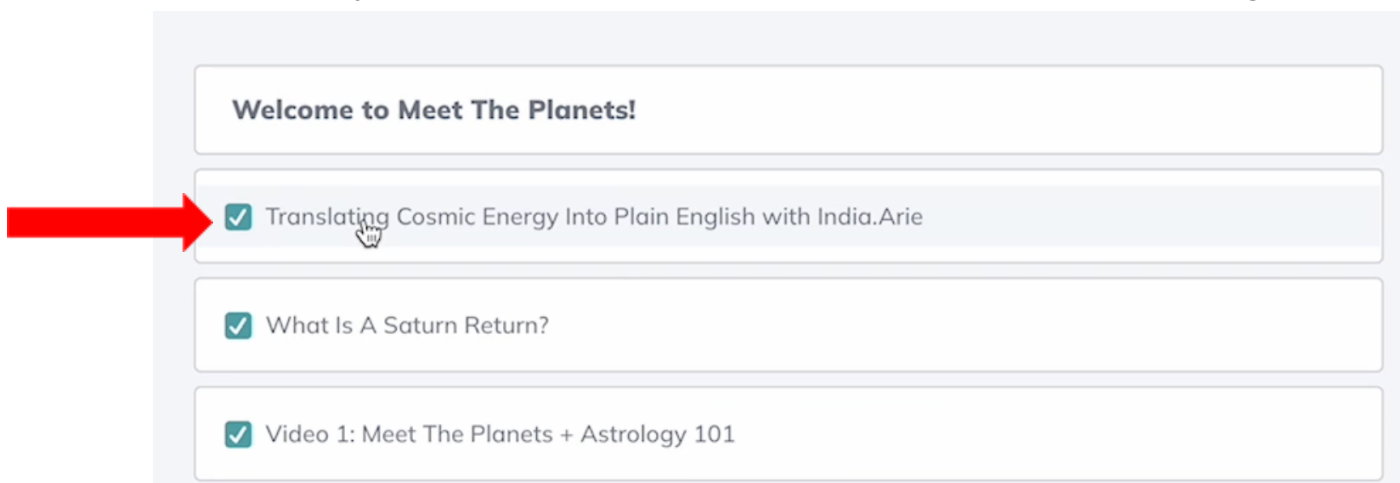

Step 7

Some **Courses** have a “**Mark as Complete**” button after each Lesson and **some do not**. If the Course you are working on has one, **Click the button** once you have posted your homework.

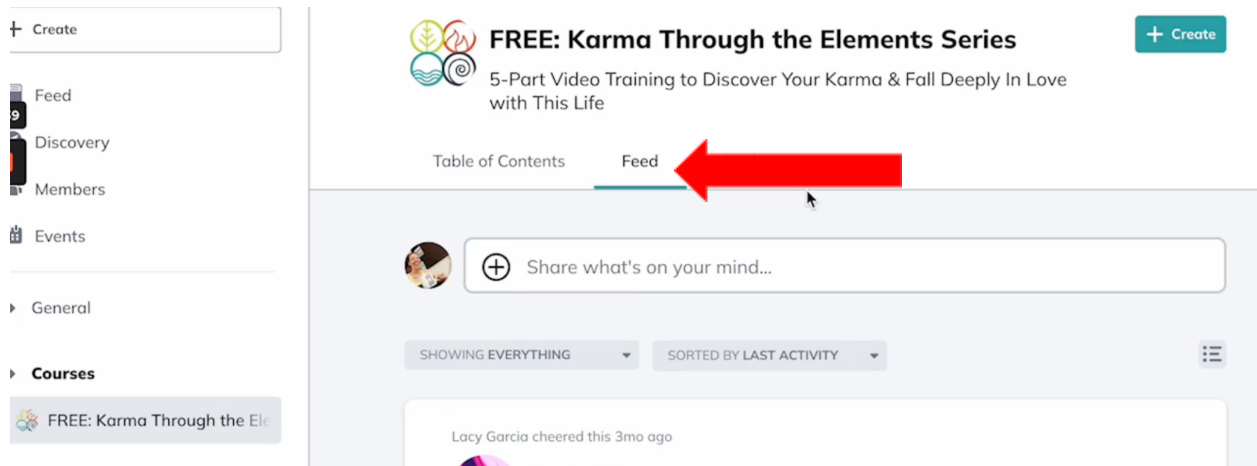

Step 8

The **Mark as Complete** button can only be clicked once. Once clicked it will mark your lesson with a **Check Mark** at the left hand side. These can not be undone, but you can come back to review the lesson over and over again!

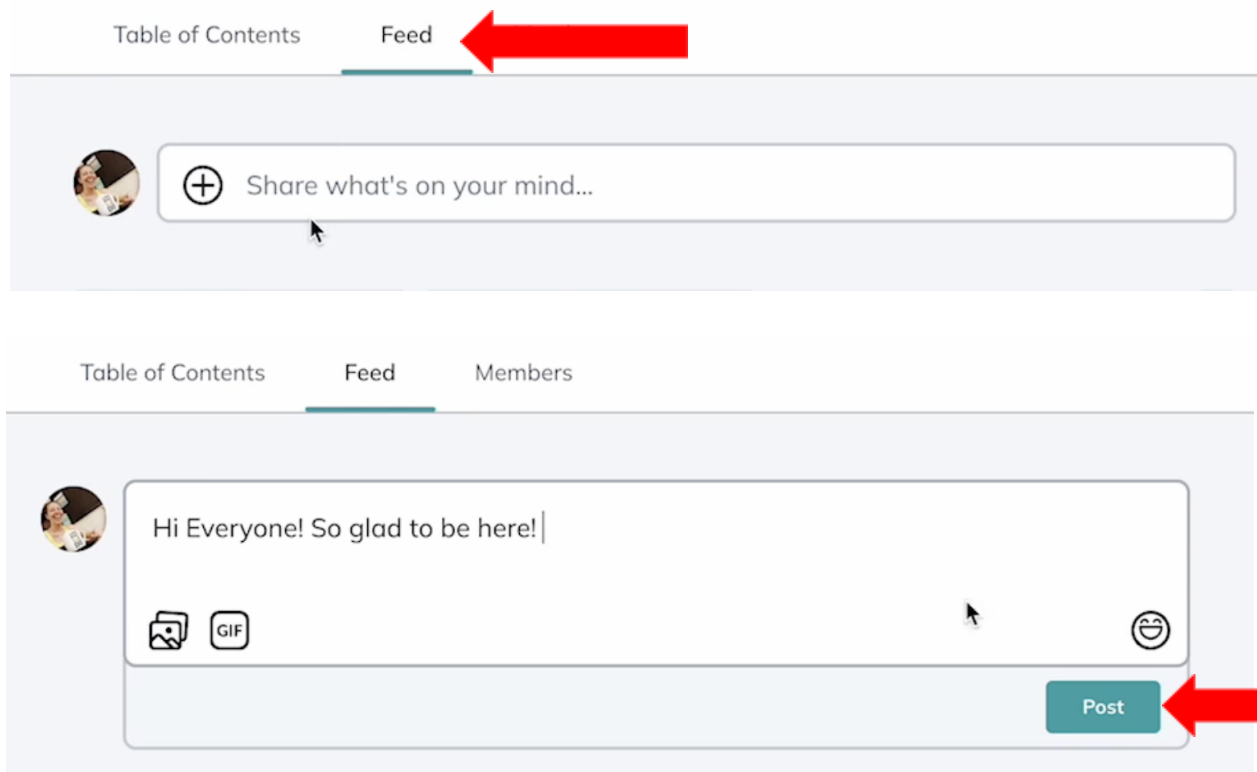

Step 9

In the **Course** you will notice you have two other tabs besides the **Table of Contents**. **Click on** the **Feed** tab. You will see many comments and interactions from other students taking the same course. This is not a place for homework; share your thoughts, questions and other comments in the feed.

Step 10

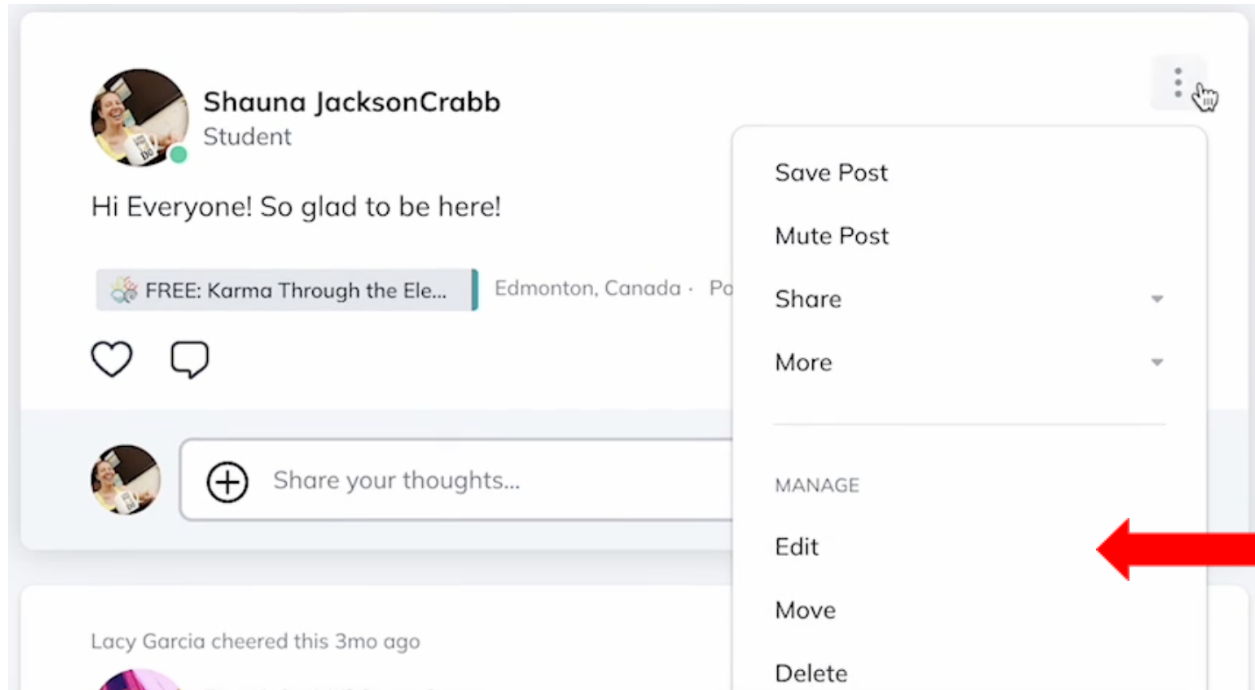

Click on the **+** icon to add your photo, gifs and comments. Press **Post** when you are finished and it will upload to the **Feed**.

Step 10

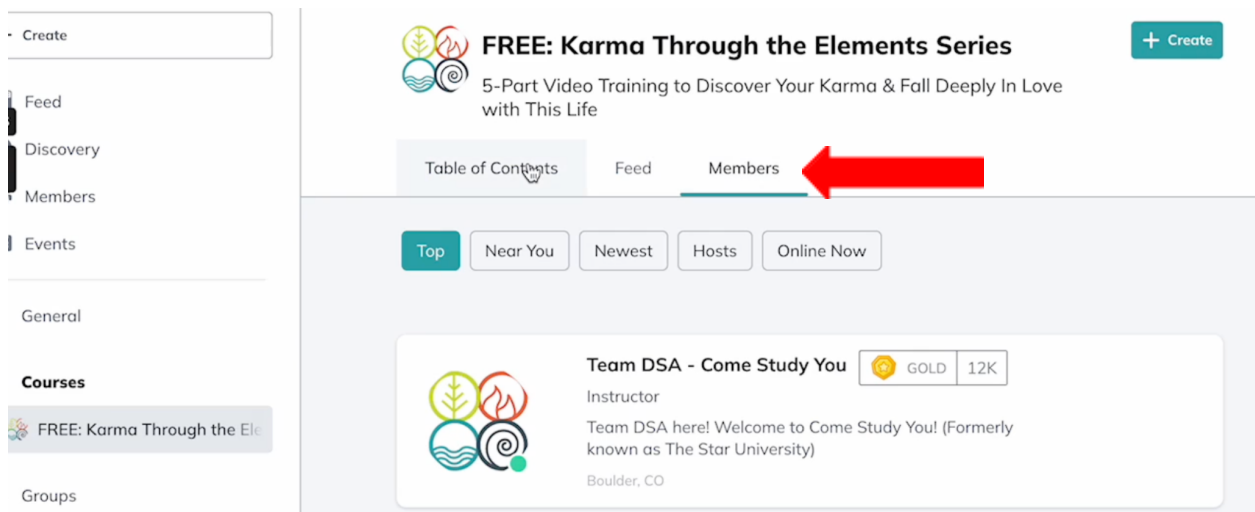

Made a mistake or posted something that you weren't finished with yet?

Not to worry, just **click the three dots** in the upper right corner of your post. Scroll down to **MANAGE** and choose **Edit or Delete**. *Your drop down menu may have less options than listed here.*

Step 11

Click on the Members tab to see the participants that are taking the course with you. *Not all courses show the participants tab.*
